lionsyouthbrass@yahoo.co.uk

The Lions Youth Brass are always accepting new members into its bands and would like to invite you to join in!

We are a community youth brass band for all ages from around 7 up to 19 years old. There are currently 3 bands; Beginner, Junior and Youth. We can accommodate players of any ability (including complete beginners) and where possible provide instruments free of charge. We are based at the Maxwell Davies Centre at Sandbach Boys School and rehearse on Tuesday evenings from 7pm. If you require more information please visit <http://www.lionsyouthbrass.co.uk> or contact us via the attached form...

Lions Beginner Brass accepts complete beginners and players who have only been learning for a short time. They have four dedicated tutors/conductors who are all past members of LYB; having four tutors enables members to benefit from small group tuition as well being introduced to full band playing.

The Beginner Band performs several times a year, usually with the other bands. When players have reached the appropriate ability tutors will recommend that they progress into the Junior Band

Lions Junior Brass is for intermediate level players (approx. grade 1 – grade 4) and introduces members to more advanced concepts of band playing.

They perform several times each year, with the other bands as well as in their own right and also enter competitions where they have been very successful over the past few years.

When players reach the appropriate ability they audition for entry into the Youth Band. In most cases the player will then sample the Youth Band on a part time basis while remaining in the Junior Band; this helps members make a smooth transition between bands.

Lions Youth Brass is for advanced players (approx. grade 5 and above). They perform numerous concerts throughout the year and enter many competitions; they have won the National Youth Brass Band Championships twice.

The Youth Band has also recorded many CD's and every summer goes on Tour. This summer will be their 3rd trip to Spain; past tours have included Czech Republic as well as many UK destinations.

The Youth Band benefit from regular workshops with some of the UK's leading brass band players/conductors.
